### Profil

I am currently a student in BUT multimedia profession and the internet. I have been passionate about IT and digital creation. Since I started this GOAL, I am particularly interested in video game development because I am a gamer myself who would like to make my passion my profession.

### Professional

- |                       |   |          |   |
|-----------------------|---|----------|---|
| été 2024              | <b>Carrefour - versatile employee</b><br>Shelving and unloading of pallets.   | été 2022 | <b>Ribeiro electricity - Laborer</b><br>Pulling cables, installing lamps and installation of sockets and of switches. |
| février/<br>mars 2024 | <b>Kaleidoscom - 1st year MMI internship</b><br>Modeling, logo creation, impression.                                  | été 2021 | <b>Centrakor - seller</b><br>Shelving, customer advice and collections.   |
| été 2023              | <b>Ribeiro electricity - Laborer</b><br>Pulling cables, installing lamps and installation of sockets and of switches. | été 2021 | <b>King Joué - seller</b><br>Shelving, customer advice and collections.   |

### Skills

I am a very curious person, I like to make discoveries interesting and practical. I have the sense of relationships and teamwork. I am very invested in the tasks assigned to me entrusted. I make it a point of honor to provide serious and successful work.

### Passions

I am passionate about sport, I have been playing handball for 12 years. I have also been skiing for around ten years.

I've been doing digital creation for 4 years, whether it's graphics, photo editing or even video creation. It's a passion.

Since I discovered the world of video games I have been passionate about those where there is action. discovery and adventure.
